PROFILE

Vanya is a girl with strong interest in the Arts, Design and Entertainment industries. A person who prefers to explore the world one step at a time and usually with a camera in their hands. She likes to challenge herself and pursue any opportunity that allows her to learn new or develop existing skills.

Vanya is a bookworm and an adventurer at heart. She shares deep love for travelling and an island called Australia. She is also a hula-hooper and a very good listener.
